Dear Parents,

What a wonderful start to a new school year! I have enjoyed meeting new friends and learning all I can about Columbus Christian School. I consider it to be such a blessing being able to be involved in all the exciting things that are being planned both this year and in the near future.

Jeremiah 29:11 reads: "For I know the plans I have for you," declares the Lord, "Plans to prosper you and not to harm you, plans to give you hope and a future."

God has big plans for Columbus Christian School, and for the students and families involved! Make sure you plug into the school and the activities as we strive to develop disciples for our Lord and Savior, Jesus Christ.

One way to get involved is to become active in our Parent Teacher Fellowship. We will be hosting a meeting for all parents in the near future so be on the look-out, as you don't want to miss out on the opportunity to collaborate with the staff in order to make this the best school year ever for your children.

I would like to remind you that there is a mandatory meeting this evening at 6:00pm for all parents whose students are, or will be participating in any athletics this year. Following the athletic meeting, we will be conducting our Curriculum Night for the parents of junior and senior high school students. Curriculum Night is scheduled to begin at 6:30pm.

Also, we are extremely excited about our concert on Thursday, August 23rd at 7:00pm. Ernie Haase & Signature Sound will be on stage and you definitely don't want to miss it. Not only will it be entertaining, but also you will have an awesome opportunity to worship our Lord and Savior. The proceeds from this concert will go directly to our new gym floor fundraiser. Whether through volleyball, basketball, physical education or any other activities in the gym, all of our students will benefit from a new wooden gym floor.

All CCS students have received a free ticket to the concert and they can redeem the ticket as long as they are accompanied by a paying adult. Tickets are on sale in the school's office for $20 in advance or $22 the night of the concert. We ask that you please consider supporting this event.

As you can tell, there are many exciting things happening at Columbus Christian. It is a blessing to be involved in God's work! We thank you for your dedication and support of our school, and we give you our promise to make provide you with the best Christian education possible!

Stop in and see us as I look forward to getting to know more of you during my first year at CCS.

God Bless,

Kendall Wildey
