INTRODUCTION TO COLUMBUS CHRISTIAN SCHOOL

The following pages are the guiding principles by which CCS exists. All policies, procedures, and new ideas are filtered through these avenues to ensure that we stay true to the purpose of our existence. Procedures and programs may change, but principles will not.

ACCREDITATION

Columbus Christian School is Indiana State Accredited and a member of ACSI (Association of Christian Schools International).

MISSION-PURPOSE-WHY WE EXIST?

Columbus Christian is a Christ-centered *college preparatory* school educating the whole student through qualified Christian faculty and staff.

MISSION STATEMENT

Columbus Christian equips students to know Jesus Christ as Savior and to be fully prepared to serve Him in everyday life.

VISION-AVENUE TO ACHIEVE OUR MISSION

Columbus Christian equips young people to lead Christ-centered, disciplined lives with a passion for learning, a heart for service, and a boldness to impact the world for Christ.

CORE VALUES

- **Commitment to Truth** (II Timothy 3:16; Joshua 1:8-9; Ephesians 4:14-15)
- **Commitment to academic excellence** (Proverbs 3:5-6; Luke 2:52)
- **Commitment to equipping young men and young women to lead Christ-centered, disciplined lives with a passion for learning, a heart for service and boldness to impact the world for Christ.** (Luke 6:40; II Timothy 2:1-2; II Timothy 3:17; III John 4)
- **Care for teachers** (James 3:1; I Corinthians 9:7-14; Proverbs 29:7)
- **Support of Christian families** (Deuteronomy 6:4-9; Ephesians 6:1-4)
- **Commitment to outreach and ministry** (Acts 1:8; Matthew 28:19-20)
- **Commitment to financial stability by being good stewards of the resource that the Lord has entrusted to us.** (Philippians 4:19; I Corinthians 4:2; Matthew 25:21)

STATEMENT OF FAITH-WHAT WE BELIEVE!

Columbus Christian School is an interdenominational school and students attend many churches in Bartholomew and surrounding counties. CCS holds these truths to be foundational to its education.

- We believe that all scripture is the inspired Word of God. (2 Timothy 3:16)
- We believe God created the Heavens and the Earth. (Genesis 1:1)
- Our creed is Jesus Christ. We accept His Word, as stated in the New Testament, as our rule of faith and practice. Nothing can be added to or nothing can be taken from it. (John 1:1; Matthew 16:16, 18; Revelation 22: 18-19)
- We believe that Jesus Christ is the only begotten Son of God, our perfect example, who was crucified and rose on the third day to provide the forgiveness for our sins. (Matthew 1:23; I Corinthians 15:4)
- We believe that Christ established His Kingdom, the Church, on the Day of Pentecost after His resurrection. (Acts 2)
- We believe that Christ's Church is made up of all those who:
 - Have faith in Jesus Christ as the Son of the God. (Romans 1:16)
 - Repent of their sins, which means a turning away from sin and walking in righteousness. (Luke 13:3; Acts 2:38)
 - Confess this faith and repentance with their mouths and by their lives. (Romans 10:9-10)
 - Are immersed into Christ for the remission of their sins. (We do not believe infant baptizing is necessary.) (Romans 6:4)

- Continue to follow Christ's teachings and are faithful to His commands. (Romans 12:10-11)
- We believe in observing the Lord's Supper (communion) on the first day of the week, Sunday, the Lord's Day. (Luke 22:19; Acts 20:7; I Corinthians 11:28)
- We believe in the Holy Spirit as the third person of the Godhead, our Comforter, and the Spirit of Truth. (Matthew 28:19)
- We believe in the Priesthood of all believers. Every Christian must support the local church by his sacrificial giving and by his Godly example, both in the home, in the community, and his active involvement in the Lord's church. (Acts 20:35; I Corinthians 16:2)
- We believe in the existence of Satan, the father of all lies, the prince of this world, the chief of the fallen angels. We recognize his power and influence, but also know that he has lost and will be cast into Hell. (Revelation 20:10)
- We believe in the Second Coming of our Lord and Savior, Jesus Christ. We believe there will be a great judgment, a separating of the sheep from the goats, an eternal Heaven and Hell. (Revelation 22:12-13; Matthew 25:32-34)

COLUMBUS CHRISTIAN SCHOOL FAMILIES SHOULD STRIVE TO...

- Hold fast to Biblical absolutes, as opposed to discussing only the theoretical;
- Emphasize character development, not one where moral neutrality rules;
- Incorporate a Biblical worldview with higher academic standards, not one where academics and truth are mutually exclusive;
- Cultivate caring teachers who promote the same values you hold for your family, not one where the various belief 'systems' may or may not agree with yours;
- Train your child to be critical thinkers considering all concepts in the light of God's word (a Biblical worldview), not one where whatever "truth" works is the one chosen for the moment.
- Develop positive parent-teacher relationships emphasizing the importance of seeking all: perspectives and working through issues of concern in order to foster a team approach to education.
- Encourages willing hearts who choose to set aside idle talk that erodes the fabric of the school and compromises our personal witness for the Lord;
- Promote being a part of the solution as opposed to promoting a critical spirit.

CCS EXPECTED OUTCOMES

Although our culture is constantly changing, CCS is fully committed to upholding a Christ-like example based on the Bible. A strong connection exists between what one believes and how one behaves. We must allow the Holy Spirit to filter our thoughts, attitudes, speech, reactions, and decisions through enduring truths of the Bible. Therefore, the following principles of Christ-centered conduct are to be the hallmark of all CCS students.

We will live Christ-centered lives.

- Commit to principles of Christ and demonstrate actions that reveal Christian character
- Equip with His Word
- Know, love, and serve Jesus Christ

We will lead Disciplined Lives.

- Respect those in authority and each other
- Demonstrate self-control in speech, actions, reactions, and attitude so as to promote the best in others
- Submit to spiritual accountability
- Participate in extra-curricular activities so as to be equipped to take a Christian approach to wellness and being capable of exhibiting our faith in competitive situation

We will develop a Passion for Learning.

- Strive for excellence by taking personal responsibility for learning
- Prepare for college and further academic study
- Think, work on teams, and solve problems
- Endeavor to experience the arts and develop the talents that God has given to us
- Effectively communicate verbally and in writing and persuasively present points of view
- Transform disappointments and challenges into learning experiences

We will possess a Heart for Service.

- Develop leadership skills
- Serve without any expectation of return of recognition
- Seek avenues of service and respond when God opens doors

We will Impact the World for Christ.

- Seek God's direction as to future vocation and plans
- Prepare for life of evangelism and service to others through our work
- Commit to a life of service, loyalty, and leadership in a local church

These outcomes are for all of us. We all should be running after these principles in our own spiritual journeys. Please pray that God would show you the areas that need to be submitted to Him and then how He can use you to reach out to others who need assistance in their journey! Spiritual climate changes as a result of everyone finding their place in loving God first and then loving others.

Weighted Grade Point Average: Columbus Christian School weights college level classes by one point on student transcripts. This means that a B- in a college course will be weighted as an A- for G.P.A. calculation purposes. This adjustment will only apply to college courses pre-approved by CCS administration.

ATTENDANCE POLICIES

The classroom is a center of learning activity. In it, lecture, discussion, and evaluation take place; it is the primary physical setting for the school's instructional program. Given this premise, CCS feels that class attendance is vital. At the same time we recognize that a student may be occasionally absent. The Indiana State Attendance Law requires that students should not miss more than 15 days or they will be subject to retention.

REPORTING ABSENCES

Parents are to call the school office at (812) 372-3780 regarding the absence prior to 9:15. Please include:

- Student's name
- Teacher/grade
- Reason for absence

ACCUMULATION OF ABSENCES

- 5th absence per semester -1st parental notification letter
- 10th absence per semester - Administrative Meeting
- 15th absence per semester – Notification goes to the Bartholomew County Prosecutor's Office, for possible educational neglect.

ADMINISTRATIVE DECLARATION OF EXCUSED AND UNEXCUSED ABSENCES

- Declaring a student absence to be excused is an administrative right, not a student/parent prerogative. Therefore, just because a parent calls to report a student's absence does not make the absence excused or selected. Columbus Christian reserves the right to label an absence excused or unexcused. Mitigating circumstances such as long term sickness or family emergency will be considered on a case by case basis by administration and/or school board.

FAMILY VACATIONS

Please utilize the school calendar in planning family vacations. If your family vacation is going to require your children to be absent from school please keep the following issues in mind:

- Consider your child's academic ability and current performance level as to whether he/she can independently make-up content that is covered in all classes. If your child is not an academically strong student, you may want to explore other options.
- Vacation days are not to be taken during semester examination weeks or standardized testing weeks.
- Please avoid encouraging other students to miss school to join your family on your vacation.
- Please notify the school office at least two weeks prior to leaving. Teachers may or may not be able to provide assignments prior to the scheduled vacation. It is also entirely possible that a teacher may need to adjust the list upon your return to coincide with what was covered in class while the student

was gone. Our goal is not to penalize the student, but to simply make sure that the student has all of the necessary information that becomes essential for tests and semester exams.

FIELD TRIPS

- Scheduled field trips are an extension of the learning process. Attendance is expected, not optional.

MISCELLANEOUS ATTENDANCE POLICIES AND PRACTICES

- Perfect attendance is awarded only to those students who do not miss more than a ½ day of school (excused or unexcused).
- Athletes who miss two class periods anytime during the day will not participate in scheduled athletic events for that particular day.
- If a student arrives to school after 9:15 a.m. or leaves before 2:15 p.m., the student will be considered a ½ day absent and will not be able to participate in extra-curricular and athletic events.

Make-up Work (Excused Absence)

For excused absences the student will have two (2) calendar days for every school day missed to a maximum of ten (10) days to complete make-up work.

Some assignments such as **term papers/special projects** are to be turned in by the due date required.

The **student is responsible** for securing from the teacher or a fellow student a listing of assignments missed and for completing those assignments on time when he is absent for any reason.

Teachers are not expected to pursue students to see that work is made-up.

Unexcused Absences

All student absences not declared as excused absences will be recorded as unexcused absences. Examples of unexcused absences include, but are not limited to, the following:

- Not following proper absence notification procedures.
- Missing class without proper authorization.
- Leaving the CCS campus without signing out with proper school personnel.
- Not providing proper notice of absence when prior notice is required.
- Absence (whole day or partial) not deemed acceptable by the principal.

Above items may result in a detention or in school suspension.

LATE TO SCHOOL/CLASS

Being prompt to a class or activity ensures that all may enjoy the full benefit of that program without delay or interruption. In the junior high and high school, students are expected to be in the classroom by 8:00a.m.

Elementary students are expected to be in the classroom by 8:15a.m.

Per Semester

AUTOMOBILE REGISTRATION AND DRIVING ON CAMPUS

All students are to register their cars in the office within the first week of school. **Car tags will be given when completed registration forms are turned in to the office.** If a student begins driving during the year, they must complete the registration process. Driving a car is a privilege, not a right. Students who abide by the rules may continue; those who do not may have their privilege of driving to school revoked.

- The speed limit in the parking lot is 5 m.p.h. Students who drive fast or recklessly will lose driving privileges.
- Students with a valid driver's license are permitted to drive to school.
- Students are to park in the back row of the lot.
- Student's cars are only to be used for transportation to and from school.
- Cars are not to be used during lunch hour or free hour. Student cars are considered off limits during school hours. If items are needed from your car, you must secure permission from a teacher to go to your car.
- CCS students may not ride to and from school with student drivers, unless a letter has been sent and signed by parents stating their approval.
- This policy does not cover all possible happenings. If any of the above rules are not followed as stated, student drivers will deposit their keys in the CCS office. If problems should still arise, the offending student will not be allowed to provide his/her own transportation.
- Students who are excessively tardy may lose driving privileges.

WORSHIP SERVICES

Columbus Christian School has regular chapel programs each week. These times are designated to provide a time for the entire school to come together to worship the Lord. Students are to bring their Bibles to all chapel services! Parents are welcome to attend chapel services. Check the CCS website or weekly schedule for upcoming speakers.

JR/HS Chapel (Grades 7-12) – Chapel is held on Wednesday in the worship center.

Elementary Chapel (Grades 1-6) – Chapel is held on Wednesday in the worship center.

CLASS SERVICE PROJECTS

We have an opportunity to reach out beyond the walls of our school. Students in grades K-12 will be involved in a class service project to benefit the community each year. Teachers and parents will help organize this effort. If you have any suggestions for service projects, please contact your child's teacher. Parents are encouraged to participate alongside their children.

LOST AND FOUND

Lost and found items are placed in the container in the coat room. Students may reclaim lost items in this area. Periodically the items will be placed on tables for students or parents to identify and reclaim. Any remaining items are given to a local charity organization.

MEDICATION POLICY

Medicine and prescription drugs should be left in the school office. No drugs or medications are to be in the student's possession. Please mark each medication with the student's name, name of medication, and provide clear instructions for its use. Medication must be in original container to be given.

ILLNESSES

When a student is ill, he or she should come to the office. Parents are called when the student is running a fever, has vomited, or other symptoms which interfere with his or her ability to participate in class. Students need to be fever or symptom free for 24 hrs. Parents are requested not to send a child to school with a

temperature above normal. In case of a serious accident, parents are notified and, if necessary, the child is taken to the hospital.

SCHOOL CLOSINGS

Occasionally the school will need to be closed for inclement weather. We have a great number of students who drive to school and we do not make this decision lightly. Please check the CCS website and emails. Families can also listen to the radio and television stations below. *CCS will follow Bartholomew County School closing schedule.*

LOCKERS- JR/SR HIGH SCHOOL

Lockers are assigned at the beginning of school by the school office or classroom teacher to students by grade. Periodic locker checks will take place throughout the year. Lockers should be kept neat and organized. It is strongly suggested that students not bring valuables or large sums of money to school.

MESSAGES

Only emergency messages will be delivered to students. The determination as to whether a message is an emergency message rests with the office. The office will transfer you to the classroom voice mail if you would like to leave a message for a staff member.

VISITORS AND VOLUNTEERS

All parents and other citizens are welcome to visit Columbus Christian School at any time. In order to ensure the safety of the students and to prevent disruptions to the instructional programs, visitors are asked to follow the procedures listed below:

- Call the school office to arrange for an appointment with the administrator or other staff members if a conference is desired.

- Visitors will be notified at this time if their visit will cause an undue disruption.

Parent and community involvement in the school is a vital and essential part of any successful school. We encourage you to take part in the school volunteer program. Service hours notifications will be sent out letting you know as the opportunity arises. Remember your participation in the Service hour program is what enables our students to experience many new and exciting things.

SCHOOL LUNCHES

CCS is a closed campus. Immediate family members are the only visitors permitted during lunch time. Students will bring lunches from home or purchase weekly or monthly.

PARENT-TEACHER CONFERENCES

School-wide parent conferences are held once a year during the fall for pre-school, kindergarten, elementary and JR/SR High students. Parents are welcome to meet with teachers' in-between those times as well. This year's conferences will be scheduled throughout the week because of the prohibition on half days. Please schedule conferences before or after school hours with your student's classroom teacher.

SERVICE HOURS

Everyone finding a place to serve eases the challenges of a few! Volunteers are a valuable support to the overall student body and also send an awesome message to our children that we believe in them and support them in and out of school. It also sets a tremendous example of service and contributing your time and talents to make a difference! Each family has been asked to complete a Service form. As the needs for volunteers arise, the office or teacher will contact you. Thank you for your willingness to make a difference.

Each family is required to put in 20 service hours per year or a \$200.00 fee. Each service hour served is equivalent to \$10.00.

PARENT TEACHER FELLOWSHIP

All parents are encouraged to participate in the Parent Teacher Fellowship. The PTF helps the school in various ways by volunteering for service, fundraising and helping the school as needed. The PTF has its own page on the school's website where meeting schedules and contact information may be obtained.

ATHLETIC BOOSTERS

The Athletic Boosters are an organized group of family, friends, and fans working together to promote athletics at Columbus Christian School. Their mission is to promote school spirit, provide financial support, and foster the growth and development of all CCS athletics.

ELEMENTARY ACADEMIC PROGRAMS & STUDENT ACTIVITIES

PHILOSOPHY

At Columbus Christian Elementary School, we believe that the student forms most of his basic beliefs, concepts, and life principles before he or she reaches the secondary level of education. We are dedicated to meeting the challenge of providing support, cooperation, and inspiration to all members of our school family. Our Christ-centered approach encourages each student to understand and to enjoy the learning process in a secure environment.

MISSION – PURPOSE – WHY WE EXIST

Columbus Christian School is a Christ-centered college preparatory school educating the whole student through qualified Indiana State Licensed Christian faculty and staff.

VISION – AVENUE TO ACHIEVE OUR MISSION

CCS equips young people to lead Christ-centered lives with a passion for learning, a heart for service, and a boldness to impact the world for Christ.

In order to achieve our mission, elementary teachers seek to educate the child spiritually, academically, emotionally, and socially. They endeavor:

- To foster a sense of Christian responsibility and concern for the entire body of Christ.
- To provide developmentally appropriate learning experiences.
- To provide a supportive, nurturing, and welcoming environment.
- To build partnerships between families, school personnel, and other community members.
- To stimulate creativity and a positive self-concept in all learners.
- To help each student develop the skills necessary for successful problem-solving and decision-making.
- To promote good citizenship, particularly the ability to make responsible choices.

ELEMENTARY REPORT CARDS

Report cards are issued the week after the end of each grading period for students in grades K-6. Parents are to look over the grades, discuss them with the child, sign the report card, and return it to the school the following day.

CURRICULUM

Indiana's state learning standards and Columbus Christian School's scope and sequence direct curriculum. Classes are self-contained. In these classrooms, approximately ten subjects are taught. Students study the

Bible every day. Language arts, (reading, spelling, writing, language, penmanship, listening), and mathematics are the most emphasized content areas.

At the elementary level, great emphasis is placed on the fundamentals of education. A strong phonics program that begins in kindergarten produces excellent readers. Because we want our students to develop a life-long love of reading, we include novels representing a variety of literary genres. Proven methods of teaching English grammar teach parts of speech and writing skills. Arithmetic focuses on computation and the ability to think mathematically.

Science, social studies, and health complete the curriculum. Students also have scheduled classes in art, music, PE, technology, and library.

TUESDAY PAPER FOLDERS

Tuesday Red Folders are distributed each Tuesday afternoon for students in grades K-6. This folder typically contains the school newsletter, classroom assignments, tests, and other important information. These folders provide an excellent means of keeping parents up to date on the student's academic progress and classroom behavior.

PARENT-TEACHER CONFERENCES

Conferences may be initiated by the teacher, parent, or administrator as needed. Parents and teachers must work closely together to ensure adequate and appropriate two-way communication. Parents who desire a conference with a teacher are requested to write a note to the teacher or to leave a message with the secretary. The teacher will then get in touch with the parent to set up a conference.

Annual Conferences are held in the fall of each year. Parents will be able to schedule a conference with their student's teacher at anytime during the year if needed.

ELEMENTARY DRESS GUIDELINES

For specific guideline that is required for all grades pre-school -12th see specific boundaries in the Jr/Sr High section.

Each student is expected to wear clothing to school and to any school sponsored trips or events that honors the Lord Jesus Christ and teaches the students to learn accountability.

ELEMENTARY HOMEWORK POLICY

Homework is an expansion and enrichment of skills taught to the individual student. The parents and teacher will work together on the completion of the student's work.

Homework binders will come home each evening. This tool is an important study skill and will help train and organize your student. **Parents please look over homework assignments and make sure they are completed.**

You must sign this binder each evening.

The parents have the responsibility:

- to show an interest in the child's work
- to provide a suitable time and place for study
- to allow enough time to complete the work
- to encourage the child to take responsibility for the work
- to give encouragement to the child
- to reinforce and review a skill which may have been forgotten
- to provide positive motivation and reinforcement of skills

The student has the responsibility:

- to listen in class and learn the skills for the assignments
- to write down an assignment and ask questions if not clear

- to take needed books and supplies home
- to do neat and accurate work to the best of his/her ability
- to complete assignments without constant reminders from teacher or parent
- to complete assignment on time
- to take completed assignments to school and turn in to the teacher

Nightly homework follows these general guidelines: Kindergarten and 1st grade – as deemed necessary, 2nd grade – 30 minutes, 3rd grade – 45 minutes, 4th – grade 45 minutes, 5th grade - 45 minutes to 1 hour and 6th grade – 45 minutes to 1 hour. In addition to daily preparation students may be expected to prepare long term assignments such as book reports or projects. These projects may require 1-1.5 hours outside the classroom. This develops skill in time management.

ELEMENTARY MEAL PROGRAMS/LUNCHROOM BEHAVIORS

Kindergarten and elementary students can purchase or bring lunch. Milk, snacks and water can also be purchased at school during the lunch period.

Elementary students will eat in the gym. Children should remain in their seats unless they have permission from the supervising adult. Children may talk quietly to each other. Children must clean up their own lunches at appropriate time.

Children will wipe off tables and line up quietly for recess

ELEMENTARY PARTIES AND SOCIAL EVENTS

Parents may arrange with teachers an appropriate way to celebrate their child’s birthday. In an effort to be sensitive to the feelings of others, we ask that students not hand out invitations, exchange gifts or bring presents to school intended for parties after school hours, unless all students are invited. Parents can give teachers invitations and gifts to pass out if needed. Students are to be discreet about discussing social events around children who are not invited.

Room parents may be asked to help with all seasonal events and parties: Harvest, Thanksgiving, Christmas, 100 Day, Valentines, Easter and the end of the year.

ROOM PARENTS

The room parent organization is the backbone of the elementary PTF. Together with the teachers they are in charge of organizing the classroom parties held during the year, communicating with the teacher, and other parents in the classroom, helping with all elementary activities and events.

Parents are needed to drive for the field trips and to help with the fundraising for special enrichment items are a few other areas included in this important position.

ELEMENTARY STUDENT CONDUCT & EXPECTATIONS

PRINCIPLES OF CHRIST-CENTERED CONDUCT

Although our culture is constantly changing, CCS is fully committed to upholding a Christ-like example based on the Bible, A strong connection exists between what one believes and how one behaves. We must allow the Holy Spirit to filter thoughts, attitudes, speech, reactions, and decisions through enduring truths of the Bible.

Therefore, the following principles of Christ-centered conduct are to be the hallmark of administrators, school board members, faculty, staff, coaches, students, and parents.

C – Christ likeness – Committed to the principles of Christ and living life His way

H – Humility – Submission to God and looking out for the welfare of others before self

R – Respect – See others through God’s eyes and treat them accordingly

I – Integrity – Honorable behavior at all times

S – Service – Meeting the needs of others

T – Truthfulness – Honesty in all interactions without deception

Columbus Christian School’s elementary discipline plan encourages the student to assume responsibility for his/her own behavior. Students are motivated and encouraged to attain appropriate behavior that is based on respect for God and man. The philosophy of our discipline is based on the following premises:

- The Lord is pleased with obedience
- A system of discipline must be consistent and fair
- There is true freedom in the security of order and structure

All elementary teachers (classroom as well as specialty teachers) follow a discipline system that enables the student to reflect on his/her behavior. Reminders are given based on the acronym entitled:

ACTS

is a discipline system that the elementary classrooms follow. It is a guideline of how we should act as students and followers of Christ. “Reminders” are given based upon the acronym entitled ACTS as seen below. These help the student reflect upon how to make better choices in the future. It is a tool of discipleship not punishment.

A- Attitude:

-Children should give **respect** towards those around them.

-Students will earn an “A” for example by: not being respectful, grumbling, complaining, talking back, anger, tantrums, etc... These actions may result in a consequence determined by the teacher, time off recess, a call home, and a visit to the office to see the principal.

C- Conduct:

-Children should abide by the **rules** and should use words, deeds, and actions that are true and in accordance with God’s law.

-Students will earn a “C” for example by: playing around, not doing what is asked right away, lying, cheating, and not following school rules. These actions may result in a consequence determined by the teacher, time off recess, a call home, and a visit to the office to see the principal.

T- Talking:

-Children should exhibit self-control in speech, attitude, and outward behavior.

-Students will earn a “T” for example by: talking when a teacher is talking, talking in chapel, interrupting, etc...

S- Studies:

-Children should show their best in their work habits by following directions, work neatly, and be prepared for class.

-Students will earn a “W” for example by: not working or not getting work done in class, not turning in/doing work and homework, and not having classroom binders signed.

Please be aware that some of these “reminders” carry more weight than others. Each teacher determines if a reminder or a certain number of reminders results in a loss of recess time. This time will be spent in a supervised classroom during recess. This is called “Construction/lunch detention” (please note that

Construction may also be assigned for make-up work or taking tests after an absence. Blessings are also given as positive reinforcement and are rewarded in a variety of ways.

STUDENT RECORDS

It is very important that all student records have current, correct information. Please notify the school office of any changes in address, telephone number, employer, etc.

JR/SR HIGH SCHOOL

GENERAL INFORMATION AND SCHOOL ENVIRONMENT POLICIES

CCS DISCIPLINE OVERVIEW

The teenage years are characterized by a growing maturity. Part of the maturing process in all of us (physically as well as spiritually) is the lessening of attention on self, and a growing awareness of people around us. Toward that end, most of the rules in this handbook will be focused on translating the ideas of honor, integrity, and respect into day-to-day actions that are visible in the lives of each student. Those who desire to conduct themselves with honor and integrity and genuinely seek to live out Jesus' teachings will rarely be at odds with the spirit or the letter of school expectations. Conversely, students who have not developed internal controls and thus require increased external control, or those who are not open to learning, growing, and changing most likely will have a difficult time at CCS.

The following guidelines and procedures are followed:

PURPOSE

To provide a safe, comfortable, protected learning environment for all students at CCS

To empower all students to pursue their academic studies

To empower teachers ability to impart knowledge

To build a framework for the entire body to fulfill the vision and mission of CCS

FRAMEWORK

The discipline boundaries established will be most effective if everyone reacts and responds in the following principles of R-E-S-P-E-C-T!

Restoring relationships - make forgiveness a priority!

Edifying through humbleness - teach through humility!

Speaking the truth - be honest and face challenges with integrity!

Partnering with teachers - work together with those in authority!

Encouraging classmates - look for opportunities to encourage!

Controlling the tongue - guard your words!

Taking responsibility - face challenges with integrity!

DISCIPLINE PHILOSOPHY

Recognition - Recognition of wrong. (Hebrews 3:7-8)

Remediation - Acceptance of consequences. (Galatians 6:9)

Redemption - Opportunity to make things right. (I John 1:9)

Restoration - A new beginning. (Ephesians 5:1-2)

CORRECTIVE PROCEDURES

On occasion, it may become necessary for the administration and staff to use corrective procedures to aid a student in developing self-discipline. Cases requiring disciplinary action will be handled more formally than normal situations.

Normal Discipline Procedures

A significant degree of disciplining can be considered normal process for young people undergoing the difficulties of maturing. Normal discipline can involve any of the following, separately or in combination as appropriate.

- Personal counseling and prayer with the teacher.
- Notification of behavior problems to parents by telephone and/or misconduct report.
- Detentions: After school 3:05 p.m.-4:30 p.m.
- A detention will be served if an infraction continues after a teacher has called a parent about the infraction.

- 4 detentions dictates one In-School-Suspension (ISS)
- 4 in-school suspensions equal one Out of School Suspension (OSS)
- Student conference with the principal.
- A parent-teacher-student or parent-teacher-principal conference.
- Saturday School: students may be required to attend school on Saturday mornings if detentions and/or ISS doesn't curb behavior patterns.
- Withdrawal of privileges, such as participation in extra-curricular activities.

Additional Discipline Procedures

More extreme or persistent cases of misconduct will be treated with one or more of the following measures:

- Counseling with the principal and/or teacher.
- Exclusion from classes in an in-house suspension (ISS).
- **This will occur on the fourth (4th) detention per semester for any offense or as deemed necessary by the administration.**
- **Probation** may be given for the following reasons:
 - Attitudes and actions that are antagonistic to the basic goals of the school and which produce adverse effects on other students.
 - Deliberate continued defiance of school rules and behavioral guidelines.
 - A serious breach of conduct inside or outside the school which has an adverse effect upon the school.

Probation can be imposed for as long as nine weeks during which time the student will not be allowed to participate in extra-curricular activities and will relinquish all positions of trust and responsibility. During this time the student will meet regularly with an appointed advisor or a teacher of their choice for counseling. Conferences with parents will be held as deemed necessary. At the end of the designated period, the student will be restored to full status if behavior has significantly improved. If the problem still exists at the end of the designated probationary period, the administration may:

- Extend the period of probation.
- Recommend expulsion to the Board of Directors.

Suspension Procedures

A student may be suspended for a period of one to five days at the discretion of the principal. Causes for suspension may include, but are not limited to the following:

- Willful disobedience of Student Code of Conduct and/or established
- school rules or open defiance of authority
- Repeated misconduct
- Vandalism
- Fighting

All assignments or tests missed during the period of suspension must be completed. All missed assignments will receive a "0" and test/quiz grades will be reduced by 10%.

Expulsion Procedures

The Board of Directors may expel a student from the school after other disciplinary procedures have failed or when major moral or social offenses have been committed. Causes for immediate expulsion could include the following:

- Continued willful disobedience, misconduct, disrespect
- Use of/or distribution of drugs, alcohol, tobacco
- Vandalism/fighting
- Pornographic material

Student Exclusion Policy

The Columbus Christian School disciplinary code contains various disciplinary responses to student misconduct typical of any Christian educational institution. Prayer, reproof, correction, guidance, counseling, parental contacts, detention, and both in- school and out-of-school suspension are among the most common of these disciplinary responses. Expulsion, too, is utilized in a case of serious misconduct. In addition to these actions, however, is a need to deal with habitual student offenders and/or those who demonstrate attitudes and actions contrary to their best interest and the best interests of Columbus Christian School. Therefore, the provisions of the CCS Student Exclusion Policy will address those rare situations when a student will be required to withdraw from CCS or subject himself / herself to the formal expulsion process.

STANDARDS OF BEHAVIOR

It is important that students realize that their conduct both in and out of school reflects upon the Lord Jesus, their family, and CCS as well. Students are therefore to show discernment and self-control and abide by the same school conduct guidelines away from school.

This includes traveling on the bus to and from school, and traveling on athletic team or spectator buses. Also, the same quality behavior is expected on field trips, retreats, and all athletic events.

For the purpose of maintaining order, developing responsibility, and building character the following standards are set forth:

For Health and Safety

Students are expected to obey the following 24/7:

- The use of tobacco, alcoholic beverages, illegal drugs, abuse of drugs, gambling, and immoral sexual conduct will not be allowed.
- This includes on or off school premises.
- Dangerous items such as knives, guns, or items which cause fire will not be brought to school.
- Running in the building or fighting will not be allowed.
- Food will be eaten in approved locations only. Not in the classroom.
- Students are to remain on campus throughout the school day unless administrative and/or parental and/or nurse permission is given to leave.
- Objects/projectiles/snowballs which may endanger others or create a mess are not to be thrown or launched by students at anytime.
- Social media/Internet –all students should keep in mind the behavioral guidelines when participating in any social media, including facebook, myspace, twitter, texting, etc. This means you are subject to disciplinary procedures if any violation occurs at any time. *Please reference internet policy for specifics.*

For Classroom Behavior

Each student's attitude and language should show respect and consideration for teachers and classmates. Students should be prompt and prepared by having all material needed for the class. Emergency passes out of class may be given at the teacher's discretion and should be recorded in the student's own agenda.

For Classroom Expectations

In addition to the specified school rules listed in this handbook, each teacher will notify students as to specific classroom expectations regarding behavior, course requirements, grading procedure, term paper policy, late assignment policy, tardiness, etc.

For Lunch Room

Lunches are to be eaten in the assigned areas only (fellowship hall, at picnic tables or on sidewalk nearest high school). Food is not to be eaten in the halls or classrooms. Students are expected to keep the lunch areas clean.

Students should remain in the lunch areas until the lunch period is over. Students must bring lunch or order weekly. Milk and water may be purchased at school. Soft drinks are not allowed in the classroom, red beverages of any kind are not allowed. **CCS IS A CLOSED CAMPUS. Immediate family members are the only visitors permitted during lunch time.**

For Property and Facility

With proper recognition and respect for the God-given resources of CCS students will:

- Take responsibility for equipment and supplies.
- Take good care of physical facilities including buildings, desks, tables, lockers, and other items.
- Be responsible for their own personal items (jackets, books, etc.) It is recommended that a student's name be placed on all personal items.
- Take responsibility for helping keep the buildings and grounds as neat as possible (pick up trash, pop cans, etc.)

Borrowing or taking items belonging to others without their permission is not acceptable. This includes the use of material written by someone else without giving appropriate credit (plagiarism).

Cell Phones, Electronic Devices and other items that might distract students from academic and social responsibilities will not be brought to class without teacher approval. Electronics brought to school should be used for school purposes and only during instructional times.

A \$25 fee may apply to retrieve a cell phone if confiscated during instructional times.

Cheating

Each student is expected to do his/her own work on all tests, projects or assignments. Taking and/or giving material to be copied will result in a zero (0) grade on the assignment / test as well as serving an in-school suspension (ISS) for first time offense (see conduct under testing). These guidelines will apply to the person copying as well as the person who supplies the material to be copied. Repeated incidents will result in suspension or expulsion as determined by the administration.

CCS STUDENT COMMITMENT

STUDENTS AND PARENTS ARE TO SIGN THIS COMMITMENT FORM EACH SCHOOL YEAR.

By virtue of being a student at CCS, it is expected that you will abide by the Code of Conduct. These principles are expected of you. You represent CCS and the principles for which it stands. Although I do not agree with this statement, I acknowledge and understand that this is the school's position and policy in regard to CCS students 24 hours a day, 7 days a week.

MATTHEW 18 - ARBITRATION POLICY – Resolving Conflict Appropriately

15 "If your brother sins against you, ^[a] go and show him his fault, just between the two of you. If he listens to you, you have won your brother over. 16But if he will not listen, take one or two others along, so that 'every matter may be established by the testimony of two or three witnesses.'^[b] 17If he refuses to listen to them, tell it to the church; and if he refuses to listen even to the church, treat him as you would a pagan or a tax collector. 18"I tell you the truth, whatever you bind on earth will be^[d] bound in heaven, and whatever you loose on earth will be^[d] loosed in heaven. 19"Again, I tell you that if two of you on earth agree about anything you ask for, it will be done for you by my Father in heaven. 20 For where two or three come together in my name, there am I with them."

Because of the counsel contained in the Bible (Matthew 18:15-20; I Corinthians 6:1-8; and Galatians 6:1) and because of the fervent desire of CCS to resolve in a Christian manner every conflict or violation, which may arise between individuals, CCS has prescribed the grievance process that is to be followed.

The resolution of any conflict initially is to be resolved at the lowest level possible with only the people who are directly involved in the conflict.

Although others may have similar concerns or conflicts, Scripture requires that we deal with conflict as an individual and not as a group of like-minded individuals. Christians are required to speak only to the individual with whom they have the conflict and to no other person. To involve anyone else is gossip and counterproductive. With this in mind, the process is as follows:

STEP 1 Go to the person involved and in a respectful manner ask questions about the situation or concern. (Parent to parent, teacher to teacher, student to student, teacher to parent, parent to teacher etc.) Use this information to make an informed assessment and to maintain an open dialogue with that person about your views. The hope is to mutually find resolution at this level.

STEP 2 Go to the administrator of the school. (administrator, teacher and parent or administrator teacher, teacher, etc.) If issue is **not** resolved, go to next step.

STEP 3 Request a hearing with School Board committee.

FINAL PROCEDURAL GUIDELINES-

- All parties will follow the above guidelines for resolving issues of concern and will make sure that other levels have not been bypassed.
- School board members do not operate individually, but as a body. Thus step three requires a designated committee to review a situation.
- Only in extreme cases will the board entertain contacts without utilizing previous steps of the grievance policy. This contact is to be made to the school board president only.
- Anonymous letters or the like will be disregarded. It is an inappropriate manner of dealing with conflict.

DRESS CODE

Enforcement of the dress code begins before the student leaves the home in the morning. Please check to make sure that these guidelines are followed before the student leaves home.

Students are expected to dress within the bounds of decency, cleanliness, and safety. Students will not be permitted to dress in a manner that is lewd, vulgar, indecent, offensive, or disruptive to the educational process.

The Bible tells us that "man looks at the outward appearance, but the LORD looks at the heart." (1 Samuel 16:7) God knows our spiritual condition by our hearts, but men can initially see only the physical body and how it is attired. As such, the purpose of our Dress Code is twofold. The first intent is to honor the Lord Jesus Christ in the appearance of the students in modesty, appropriateness, and neatness. "Whether then, you eat or drink or whatever you do, do all to the glory of God." (I Corinthians 10:31) The second intent is to challenge students in learning accountability, discernment and willing obedience. (Hebrews 5:14, I Peter 2:13) We have sought to develop a standard of proper dress and general appearance for student that will:

- Reflect favorably on the Christian nature of our school.
- Reflect favorably on the whole student body.
- Be an acceptable standard in the eyes of most of our parents.
- Enhance the educational process.

Even as there is appropriate clothing for church, athletes, etc., so too, there is appropriate clothing for school and related activities. It is important that families come to a cooperative agreement in this area. Please realize that we have a wide variety of attitudes regarding personal appearance, but it is often necessary to set aside our individual desires for the good of the overall school family. We trust the following list of guidelines will clarify for students and parents the desire we have at Columbus Christian for our students to glorify the Lord in their dress and grooming. As you read through this list, please consider the three major principles that represent the spirit of the Dress Code: that students are to wear clothes that are modest, appropriate, and neat.

MODESTY can be defined as making sure our bodies are covered in such a way as to honor the Lord and not to offend and/or tempt those around us. All clothing is acceptable that fits this description EXCEPT the following;

- Dresses, shorts and skirts must be no shorter than the top of the knee.
- Shirts must have sleeves and collars with the following exceptions: Dresses must have sleeves (cap sleeves-material under the arm as a sleeve is okay).
- Females wearing a dress skirt are not required to have a collar.
- Nice sweaters, vests and blazers are acceptable school wear. Scarves worn with an appropriate shirt, sweater, jacket or vest is also acceptable.
- No sheer or see through fabrics.
- Pants or tops are not to be tight fitting. Capri pants may be worn. If you see lines from underclothes - it is too tight for school! Move up a size or two if necessary.

- No revealing neckline, back, or midriff will be allowed. Shirts must be long enough to be tucked in and must cover the waistline at all times. If you bend over and skin is showing - select a longer shirt. If you raise your hand and your belly shows - select a longer shirt.
- No athletic wear, pajamas and/or any type of sweats.

APPROPRIATENESS can be defined as wearing clothes that fit the occasion. In a school setting, appropriate clothes are those that do not hinder the educational process:

- Jewelry should be worn in moderation and in good taste. Nose, eyes, or tongue piercings are not appropriate for school. Boys may not wear earrings.
- No hats, caps, hoodies on head or sunglasses may be worn in the school building.
- Approved company logos are allowed. College and professional team apparel is permitted.
- Avoid faddish extremes in dress and grooming. No visible tattoos. No ink or marker drawing on skin of any kind, Hair should be modestly styled and neatly combed. Mohawks, punks, tails, etc., that draw attention are prohibited. Multiple or rainbow colors or colors that draw undue attention to themselves or styles that do, are not acceptable. Boys' hair should not be longer than the top of the collar in length, eyes must be visible.
- Shoes must be worn at all times.
- Pictures, symbols or slogans on clothing must be appropriate. Clothing must be consistent with Christian principles. You will be asked to change any shirt that has a suggestive saying or a double meaning.

NEATNESS can be defined as a look that is clean with clothes that are proper fitting and in good repair.

- No words or writing on clothing that covers the posterior.
- No rips, tears, holes, or frays on any clothing. Pants must not drag on the floor.
- Facial hair is to be well-groomed.

JR & SR HIGH SCHOOL ACADEMIC PROGRAMS

CURRICULUM OVERVIEW

The curriculum at CCS is designed both for the present and the future. On the one hand we seek to develop basic skills to be used now, at the same time we are laying foundations to equip students to succeed in the future. The curriculum and schedule are designed to provide opportunities to develop the thinking process, to mature in powers of expression, and to gain knowledge of the world. The school recognizes in an ultimate sense that it is up to the individual student to strive for personal understanding. No amount of institutional prodding or nurturing can substitute for personal commitment. **The student must take ownership of his or her education.**

While students find our requirements demanding, they will also find that their teachers are eager to help them meet expectations. The faculty does more than merely make assignments, collect homework, and give tests. They are here to share their love of a subject, to encourage, to challenge, to give extra help, and to responds to the individual interests and abilities of students. Students are likewise expected to demonstrate initiative by using free periods during the day for study and by seeking out teachers when extra help is needed.

REPORT CARDS – TRANSCRIPTS

- Progress reports are mailed home at the end of the 4th week in the marking period.
- All full report cards will be emailed/sent home at the end of each 9 weeks.
- First Semester: October, January
- Second Semester: March, May
- Report cards are emailed home for students in the JR/SR high school.

SEMESTER EXAM (7-12)

Semester exams are held two times per year. The exams are accumulative reflection of the semester. It is important to use this time to prepare for exams. Semester exams are worth a maximum of 20% (but remains at teacher's discretion) of the final grade and can devastate a grade average if the exam is not taken seriously.

GRADE POINT AVERAGE-NECESSITY OF CONSISTENT EFFORT

GPA is the grade point average that reflects all earned grades from grades 9-12. GPA average is very important when applying for scholarship and eligibility requirements of colleges and universities. Consistent effort and attentiveness to academic studies through all grade levels is essential in maintaining a GPA.

GRADING SCALE

CCS uses a 4.0 GPA scale for most classes. While each teacher enjoys considerable autonomy in the classroom and establishes his or her own standard for measuring student achievement, letter grades generally correspond to a 12 point scale.

INCOMPLETE GRADES

If, at the end of a grading period, a student has some incomplete assignments as a result of absences, an "I" will be recorded as the temporary grade. The student will be allowed 10 school days to make up the incomplete work unless arrangements are made with the administrator. At the end of that time, if the work has not been completed, the grade for that assignment will be recorded as an "F".

Incomplete assignments resulting from any reason other than an accepted absence may not be made up. A grade of "F" will be averaged into the grade for the term for each such incomplete assignment. The work may still be required in order to receive credit for the class, regardless of how the grade averages.

ACADEMIC PROBATION

Any student in grades 7-12, upon failing three subjects in nine weeks, will automatically be placed on academic probation. The student must show significant improvement within the following nine weeks to be removed from the probation list. It is essential that parents and teachers work closely together to monitor student practices during this probationary period. Should the student continue on the list for more than two consecutive nine weeks, a decision by the school officials could result in expulsion.

Should a student fail specific courses for grades 9-12 and should these courses be necessary for graduation, students would be expected to make the course up in summer school, or through an approved correspondence course. This policy is not meant to punish any student for having difficulty in learning, but is meant to help us help the student to keep from being slothful in work. Students, upon failing courses, make it extremely difficult for the teacher and the class. Scheduling of individual courses for the following years becomes difficult or nearly impossible.

SUMMER SCHOOL CREDIT

Students failing a course required for graduation will be required to retake the course during summer school. CCS will not rearrange the master schedule for the next year to accommodate students who have not earned a passing grade. Students must secure written permission from the Administration before enrolling in summer courses at another school. Summer courses should be taken only to make up credits failed. They may not be taken as a means of accelerating through basic required courses. CCS is unable at this time to provide summer classes. Students must seek these programs out and register on their own.

INDEPENDENT STUDY

DEPENDING on teacher availability and as a last resort, students may take a required course as an independent study. Only students who work well independently and demonstrate the study habits that are required will be considered for this option.

DROP/ADD

One week following the first day of the semester is allowed for a student to consider adding or dropping a class. Careful analysis as to why the student is seeking to drop a course should be discussed with the principal or supervising teacher. A review of graduation requirements and options is also pertinent to the decision. Parental permission is also necessary.

HOMEWORK

Homework is an essential part of the total instructional program at Columbus Christian. Teachers take their responsibility to assign meaningful homework seriously and expect students to prepare assignments carefully on a daily basis.

In the upper elementary, junior high and high school, 20-30 minutes of out-of-class work is normally assigned for each class; a total of one and a half to two hours of homework a night is not unusual.

In addition to daily preparation, students may from time to time expect long-term assignments. This necessitates learning to budget one's time wisely – a skill of paramount importance for success in college. Homework is checked regularly and weighted with tests, quiz scores, and class participation to determine course grades.

Make-up Work (Excused Absence)

When prior notice is not required the student will have two (2) calendar days for every school day missed to a maximum of ten (10) days to complete make-up work.

Some assignments such as **term papers**/special projects are to be turned in by the due date required even when absent.

HOMEWORK HOTLINES RenWeb

Each teacher will have a web page to provide class information and assignments. Homework Hotline will be available through the CCS RenWeb. Teachers will post assignments on a weekly basis and will post any pertinent class information on their RenWeb page. Additionally information may be obtained on your child's teachers' webpage at www.columbus-christian.org.

LATE WORK

Teachers will promote responsibility and hold students accountable for completing homework assignments and projects on time. Homework that is not turned in at the time it is due (class period) is considered late. Each teacher will determine if late work will be accepted and what percentage will be deducted from the grade.

HIGH SCHOOL OVERVIEW (9-12)

All students in grades 9-12 are required to take a minimum of six courses.

GRADUATION REQUIREMENTS

Columbus Christian School is accredited by the state of Indiana. Academic Honors and Core 40 requirements are incorporated into the CCS program. Each year the administrative team will review individual student records to ensure that all graduation requirements are being met. Students who transfer in may need to take correspondence courses in order to graduate on time.

Note: Core 40 is our minimum goal for all high school students at CCS. It is important to plan for classes in such a way that all requirements will be met. There is presently no GPA requirement for graduation with a Core 40 diploma.

However, those who maintain at least a 2.0 GPA are eligible for a greater amount of financial aid when they reach college.

TRANSCRIPT EVALUATION

Due to the nature of influence, members of the student council will have to meet certain criteria to run for office and to remain in office.

ATHLETIC INFORMATION

The athletic program is an integral part of the education program at Columbus Christian. The purpose of the athletic program is to build character and to develop qualities necessary for Christian leadership in young men and women. This is accomplished through hard work, discipline in facing difficult challenges, and being forced to the limit of one's physical ability. The athletic program affords students the opportunity to see themselves, as they are, each with their unique abilities and limitations.

Because we believe that physical challenge is so important in one's growth and education. The school would like for each student in grades 7-12 to be involved in at least one sport a year. Columbus Christian offers a well-rounded program of sports in which students may participate. It is not necessary to be an outstanding athlete to be a part of many programs. Personal growth and development is the measuring stick for most sports.
